

10 Questions Expats (or Travelers) Should Ask to Better Understand Another Culture

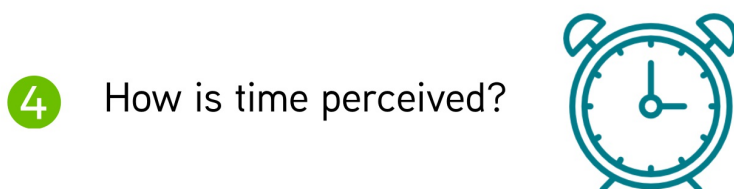

What cultural context are you in?

2 What is the role of group vs. individual in the host culture?

What is the relationship like between men and women?

How is time perceived?

How is personal space perceived?

- 6 How are tones and volumes used in communicating?

- 7 What are typical practices when meeting/working with other people?

- 8 What other beliefs/practices are at the foundation of the other culture?

- 9 How big or small is the difference between your culture and the host culture?

- 10 How does this change your behavior?
